

CERTIFICATE OF INTERNSHIP

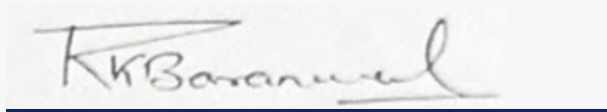

This is to certify that:

Prajwal Gupta

has successfully completed a two-month On-site Internship as a **Java Developer** Intern at **Microcmd**, Varanasi, Uttar Pradesh, from **2 March 2026 to 4 May 2026**. During the internship, he worked on the design and development of Java-based web applications using HTML, CSS, Java, and MySQL.

During this period, he actively participated in developing responsive user interfaces using HTML and CSS, implementing application logic in Java, and integrating MySQL databases for efficient data management. His responsibilities included database design, executing SQL queries, performing CRUD operations, testing and debugging applications, and ensuring the smooth functioning of software modules. He consistently demonstrated strong technical skills, analytical thinking, professionalism, and a positive attitude towards learning while successfully completing all assigned tasks and responsibilities.

We appreciate his dedication, sincerity, and hard work throughout the internship and wish him every success in his future academic and professional endeavors.
